## The Kennel Club receives Royal Prefix on 150th anniversary

Continued from page 1

Chairman of The Kennel Club, Tony Allcock OBE, said: "We are honoured that as of the 4 April 2023, the date the club celebrated its 150th anniversary, The Kennel Club will be known as The Royal Kennel Club.

"The world has changed significantly over the last 150 years – as has The Kennel Club – and we remain committed to protecting and promoting the health and welfare of all dogs. I am very proud to be part of an organisation that is making a positive difference for dogs and their owners."

The Kennel Club was established in 1873 and since its inception has held royal patronage. The club began for the purpose of bringing order and regulations to

dog shows and field trials which were taking place at the time. Since then, the club has evolved into a multi-faceted organisation encompassing the UK pedigree and working dog registry, The Kennel Club Charitable Trust, Crufts dog show, the Young Kennel Club, the Good Citizen Dog Training scheme and the members' club itself, which has over 1,500 members.

The Kennel Club is the only UK organisation of its kind and underlying all of the above functions is a strong ethos to safeguard and promote canine health and welfare. This work applies equally to all dogs, whether they are in the show ring, working in the field, taking part in activities such as agility and obedience, or pets and companions.

## Find a Club service returns to The Kennel Club website

The new and improved Find a Club service has now been launched on The Kennel Club website and is online.

...we look forward to receiving feedback

The new Find a Club service now includes listings for: agility, dog showing (ringcraft training), breed clubs, field trials, gundog working tests, heelwork to music, obedience, rally, working trials and The Kennel Club Good Citizen Dog Training scheme under one area. It also clearly displays where a Kennel Club Accredited Instructor is training at a club.

A further addition is the benefit of seeing shows that clubs also host at the bottom section of the club area, which links directly to our Find a Show profiles, with the hope that this additional functionality makes for a better experience for new dog owners who may be looking for a training club.

Mark Beazley, Kennel Club Chief Executive said; "We apologise for the delay in relaunching this popular service whilst we worked on ensuring that the functionality and data behind Find a Club was all correct. We would like to thank our customers for bearing with us while information had to be sent manually instead of downloaded straight from our website.

"Whilst every effort has been made to ensure the data is accurate and up-to-date, the service reflects what clubs have provided back to us. Should anything be incorrect, clubs are encouraged to login to their online club profile and edit the details, so they drop into our dedicated team who are on hand to resolve these as quickly as possible.

"We hope that this improved functionality on our website is of benefit to our customers and look forward to receiving feedback."

revealed in the statistics of Crufts by numbers. This year Crufts showed its support for the Stand Up To Cancer Walkies Challenge and encouraged visitors and competitors to sign up to the challenge of walking 60 miles across the month of April to fundraise for Stand Up To Cancer – a joint national fundraising campaign from Cancer Research UK and Channel 4.

We also use this edition to honour Vanessa McAlpine, Crufts Show Manager, who has made Crufts the event it is today. This year marked Vanessa's 45th and final Crufts and on the final day Vanessa was presented with an award by Tom Mather, Crufts Chairman, and Tony Allcock OBE, Kennel Club Chairman, in the Resorts World Arena with a message of thanks for her dedication and leadership. And, as one last act of duty Vanessa was invited to present the famous Keddell Memorial Trophy for Best in Show to the first Lagotto Romagnolo to win Crufts Best in Show, Am GCh Kan Trace Very Cheeky Chic, 'Orca', co-owned by Sabina Zdunić Šinković and Ante Lučin from Croatia, handled by Spanish born Javier Gonzalez Mendikote.

**...we feature news from all the canine activities including the tenth anniversary of rally at Crufts, as well as dogs working on the front line**

Our Crufts report looks at how international Crufts was this year with winners from around the world, including our Crufts Best in Show winner Orca from Croatia, and Reserve Best in Show winner, Old English Sheepdog, 'Blondie' from Italy. The 150th anniversary year of The Kennel Club was marked at Crufts by a special 150th Anniversary Celebration Stakes final won by four-year-old Standard Poodle, Ch Huffish Rewrite The Stars With Atastar (Imp Swe), known as Jake, owned and handled by Philip Langdon, judged by Zena Thorn-Andrews.

A year on from the outbreak of war in Ukraine we report on how the Yaroshuk family defied the odds and bravely travelled over 1,800 miles from Odessa to Birmingham to fulfil a dream of competing at Crufts. We feature news on The Kennel Club Charitable Trust's Appeal for Ukraine fundraising auction where well-known photographer Anna Szabo gifted three items herself, but also encouraged fellow artists in the dog world to gift lots, and Irene Sheyko, Founder of Forever Lida, was collecting humanitarian aid donations to buy goods, vehicles and other equipment needed by Ukrainian civilians, medics and evacuation teams.

In our show review we feature news from all the canine activities including the tenth anniversary of rally at Crufts, as well as dogs working on the front line. Crufts also welcomed the Bavarian Mountain Hound who had their own breed classes for the first time and featured in the Hound group.

A special exhibition celebrating The Kennel Club's 150 years is currently open at The Kennel Club Art Gallery. Canine enthusiasts, historians, art lovers and anyone interested in how man's best friend developed alongside humans are all welcome to delve into the collection of unique and rare artworks and items displayed, some of which have never been exhibited before. The exhibition is open to the public Monday-Friday, 9.30am-4.30pm until 19 January 2024. # The Kennel Club hosts free webinar on colour dilution alopecia

**The Kennel Club organised a free webinar for owners and breeders to find out more about the dangers of breeding for 'fashionable' colours, with the example of colour dilution alopecia.**

The webinar explored research on the condition to date, advice for breeders to avoid colour dilution alopecia, and how best to support dogs affected with this condition.

The webinar, organised by The Kennel Club's health team, took place on Monday 24 April 2023 from 7pm to 8:30pm.

The session included a presentation from dermatology specialist Dr Rosario Cerundolo, looking at the diagnosis, symptoms and treatments for colour dilution alopecia and other skin conditions in dilute-coloured dogs. Kennel Club

geneticist, Dr Joanna Ilska, talked about the genetics of coat colour dilution and colour dilution alopecia, and the dangers of breeding for 'fashionable' colours. Attendees had an opportunity to put their questions to the specialist during a question and answer session at the end of the webinar.

Colour dilution alopecia is a genetic condition that causes hair thinning and loss, which can leave the skin prone to sunburn, infection and dermatitis. The condition is associated with dogs who have a 'dilute' colour (e.g. blue, lilac,

isabella or silver). While the disorder is commonly described in Dachshunds and Dobermanns, it has also been recognised in other breeds. With the rise in popularity of 'fashionable' coloured dogs, it's crucial to understand the dangers that can be associated with breeding for certain colours and what breeders can do to try to reduce the prevalence of conditions associated with dilute coat colours.

"I love my dog because this little bundle of fluff is the best thing that ever happened to us."

"I love my dog because of the way he looks at me, his playful nature and his unconditional love!"

"I love my dog because she is my devoted best friend."

# KC finances – putting the record straight

Over the past six months we have been sharing the progress we are making on our strategic review and direction – making a positive difference for dogs and their owners, and the six supporting aims, with our members.

This month, ahead of the AGM in June at the Curzon Cinema in Mayfair, we wanted to focus our communications on **ensuring that we are financially secure and sustainable in the future**. Over the past year we have been improving the way that we communicate with members, but we appreciate that over time, a number of commonly held beliefs around The Kennel Club income and spend have developed. We often hear phrases like “Our Club is in Mayfair. We have to have lots of money don’t we?” or “The Kennel Club owns and runs Crufts each year, that must make millions!”

We’d like to respond to those misconceptions to give you a clearer view of how we generate income, how we spend that money and what else we need to consider!

### 1. The Kennel Club owns and runs Crufts each year, that must make millions?

Actually – this isn’t true. Although Crufts does generate income and attracts sponsorship, after we account for the direct costs of running the show and by the time we included staff costs and overheads, last year, in 2022 Crufts made a loss. So where do we make our money?

#### We have three main income sources:

- 1 Registering new puppies, transferring them to their new owners, importing/exporting dogs from overseas and ‘Find a Puppy’
- 2 Petlog – our microchip database with over 13 million pets in its records. Petlog last year helped over 5,000 pets get

reunited with their owners.

- 3 Our partnerships with companies such as Agria.

#### So where do we spend the money?

We spend the income from these activities across all our other non-profit generating areas in The Kennel Club, subsidising the following services and products we currently offer:

- 1 Events, shows, and training including Crufts and our Good Citizen Dog Training scheme
- 2 Membership services including property maintenance, production, print and postage of publications and the gallery and library
- 3 Our health and welfare services including our Assured Breeder Scheme.

Last year, after all costs, and the amounts we needed to allocate for depreciation (the financial allocation we make each year as our assets age) we made an operating loss of £1 million.

Gross income	Gross expenditure net of depreciation	Depreciation	Surplus or loss?
£ 22.2 million	£ 21 million	£ 2.2 million	£1 million loss
Net income	Net expenditure		
£11.7 Million	£10.5 million

## KC finances – putting the record straight - continued

### 2. Our Club is in Mayfair. We have lots of money, don't we?

Yes, we are very lucky to have the Club and offices in Mayfair. The Club on Clarges Street is in a wonderful location, and a beautiful building containing much canine art and canine books and it is of course synonymous with who we are.

However, the property is an asset that we own – not cash, and we can't use it to pay our operating costs or staff. It also takes a great deal of upkeep and maintenance.

After our name, brand and staff, our Clarges Street property is one of our largest assets, and we are looking at ways that we can use it more effectively; perhaps to generate a new income stream.

### 3. Membership fees pay for all the member benefits – whether I use them or not.

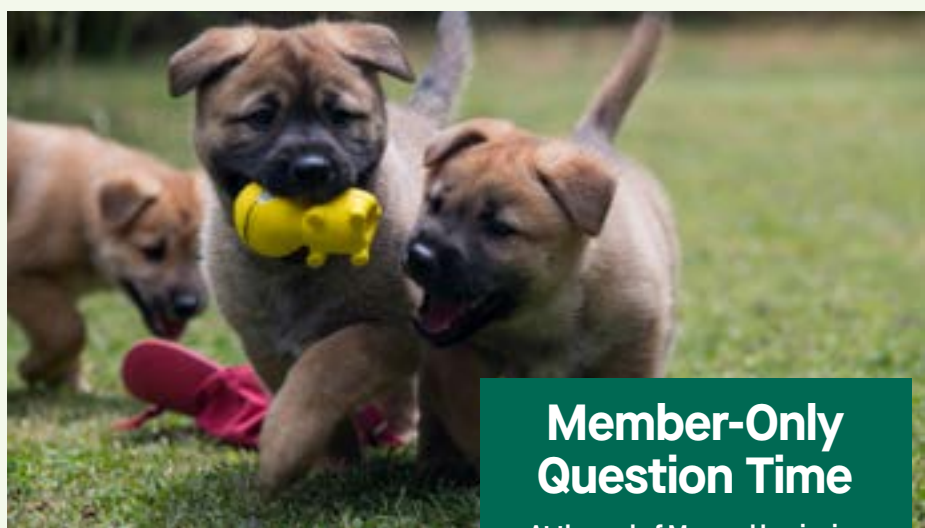

We have just under 1,500 full members, paying around £150 per year. This generates approximately £225,000 of income.

Last year, after providing all our Club services and Club management, showcasing our library and gallery for members to visit, producing our publications, printing them and sending them out, we spent over £3 million pounds, in excess of membership fee funds. Which means we need to generate a minimum of £3 million pounds of net income after expenses just to run the club.

### So why did The Kennel Club make a loss in 2022?

Like everyone, we have suffered from the global financial situation and the increase in inflation. In 2021, as we all know, we experienced high puppy registration volumes of 349,000, however, these are now returning to pre-pandemic levels and were 273,000 in 2022. Our overall registrations income decreased by £2.8 million from 2021 to 2022 whilst our operating costs have increased during 2022 compared to 2021.

And at the height of the pandemic, when dog ownership was increasing at a phenomenal rate, so did the competition. We now have over 20 business competitors

© The Kennel Club

who operate in at least one of our areas of expertise.

We do have investments and capital reserves; last year as a result of our losses we used £1.7 million of our working capital to make up the shortfall. Clearly this is not sustainable, year on year. For us to ensure we continue to make a positive difference for dogs and their owners, we have to ensure that we generate at least the same and preferably more income than we spend.

### As a member what can you do?

While our costs have been increasing like everyone else's, we haven't increased registration or membership fees for some years since January 2018. As you can see, registrations is our main sources of income. We have worked hard to improve our customer service levels since the pandemic issues. We can now be proud of the changes we have made, and the reviews and great customer service scores we are seeing on independent customer service websites.

Ensuring that we are financially secure and sustainable in the future is just one of the areas we are looking at to ensure that we stay relevant and continually improve what we do and how we do it.

The Kennel Club has a vital role to play in the future of dogs and their owners in this country, but we also need to be aware of the changing landscape that we are in and ensure our business evolves with the times.

## Member-Only Question Time

At the end of May and beginning of June we will be giving you the opportunity to ask questions ahead of the AGM at three virtual Member-Only Question Time sessions.

Please do make time to come ahead of casting your proxy postal votes or coming in person to vote at the AGM on the 13 June.

The dates are:

Tuesday 30 May at 2pm – 3.30pm

Wednesday 31 May at 4pm – 5.30pm

Thursday 1 June at 4.30pm – 6.00pm

We shall be sharing how to book in the next roundup email.

The Kennel Club Strategy team is hosting an informal drop-in at the Birmingham National dog show from Thursday 4th May to Sunday 7th May between 8.30am – 3.30pm on the balcony by the trade stands. Exclusive Members-only sessions will also be held to give you an opportunity to ask any questions about our future direction, and how we're planning to ensure we're financially secure and sustainable – more details to come! We look forward to seeing you then.

## CHANGE OF TITLE – ADVERTISEMENT

### INITIAL CONSIDERATION

**At its meeting in February 2023, the Kennel Club Board approved the following Change of Title application:**

**FROM:** Trent Park Dog Agility Club

**TO:** North London Dog Agility Club (Proposed)

Any currently registered Societies wishing to lodge objections to these applications should address their correspondence by 31st May 2023, to Society & Show Services Team ([sass@thekennelclub.org.uk](mailto:sass@thekennelclub.org.uk))

## DISCIPLINARY COMMITTEE

**25 January 2023**

**Ms S Macbeth & TUFTIHD LUST FOR LIFE Regulation H2**

- Measuring Session 29/05/2022 at Nottingham Championship Show
- Measuring Session 24/07/22 at Caerphilly & District Dog Agility Club
- Measuring Session 14/10/2022 at Wyzidogs in Benwick nr March

The Committee upheld a breach of Kennel Club Regulation H2 and issued a Warning and Censure and imposed a fine of £100.

This matter involved the reported increasingly uncooperative and confrontational conduct on the part of Ms Sophie Macbeth at the above listed measuring sessions.

Ms Macbeth admitted her behaviour was inappropriate but denies intimidation.

There were three instances involving Ms Macbeth's insistence that her dog should be measured as small. Whilst it is not uncommon for competitors to be resistant to measurers' decisions, the process must be respected and there must also be a cut off to that process.

There is always the option to appeal measuring decisions and it was noted that

Ms Macbeth did appeal and the Activities Committee rejected that appeal in December 2022.

Ms Macbeth appealed the decision on 23 February 2023. The Appeals Tribunal did not uphold the appeal and made the following comments.

Measuring sessions when the height of the dog is changed often means that it is often likely to be a difficult situation for the dog owner. Measurers do have to be ready to address the concerns from owners who are unhappy with a change in a dog's measurement.

However, those concerns need to be made in a controlled, courteous and appropriate manner. Measurers should not subject to the type of unreasonable conduct such as has been described. The Tribunal understand that this has been an unusual case with no precedent for a case of this nature.

The Appeals Tribunal were satisfied that there was sufficient evidence for the decision made by the Disciplinary Committee and further agreed that the penalty imposed was a reasonable reflection of the matter. The Tribunal did not see any reason to reverse the decision or penalty.
